

# PHILIPPIANS 4:10-23

## Sermon Reflection Questions

---

*These questions are designed to help individuals, families, and small groups discuss and apply passages in the Philippians sermon series as taught at Grace Bible Church in fall 2018.*

### **Observe & Interpret**

**Read** Philippians 4:10-23. Why does Paul conclude this letter on the topic of giving? Why is it of such importance to him based on what he has taught in this letter?

What is the “secret” that Paul had learned regarding contentment (v12)? How does the promise of v13 (one of the most misunderstood verses in the whole Bible!) relate to this secret?

List the positive things money *can* do for us and for others according to this passage.

In verse 17, what is the “profit which increases to your account”? See also Luke 14:13-14; 2 Corinthians 9:6-11.

### **Apply**

In what areas of your life do you struggle with contentment? Based on what you learned in this passage, how can you find greater victory in this battle for contentment?

Compare your own use of money with the principles laid forth in this passage. Are you doing well, or are you falling short? How can you do more good with your money in the future?

### **Memorize: Philippians 4:19**

And my God will supply all your needs according to His riches in glory in Christ Jesus.
