

Can Faith Change the World? 1 Peter 1:13

Our faith can impact our world as we engage the world actively with an attitude of sobriety while maintaining hope in what only Christ can accomplish when He returns.

Engage Actively

“Culture change will only happen when something new displaces, to some extent, existing culture in a very tangible way.” - Andy Crouch

Maintain Sobriety

“But evil men and imposters will proceed from bad to worse, deceiving and being deceived. You, however, continue in the things you have learned.” - 2 Timothy 3:13-14a

Remain Hopeful

“Our destiny is an earthly one: a new earth, an earth redeemed & transfigured. An earth reunited with heaven, but an earth, nonetheless.” - Paul Marshall
