

The One: The Pursuit Genesis 24

How do we start a relationship or look for a date? Our culture is flooded with ideas and fear in this process. Join us as we draw Biblical principles from Genesis in how to being a meaningful relationship. You don't have to look alone!

How do I look?

Marriage was an economic institution in which you were given a partnership for life in terms of children and social status and succession and companionship.

But now we want our partner to still give us all these things, but in addition I want you to be my best friend and my trusted confidant and my passionate lover to boot, and we live twice as long.

So we come to one person, and we basically are asking them to give us what once an entire village used to provide: Give me belonging, give me identity, give me continuity, but give me transcendence and mystery and awe all in one. Give me comfort, give me edge. Give me novelty, give me familiarity. Give me predictability, give me surprise.
