

Transitions and Testimonies

Acts 9:1-22

This was the first week of a new transition in Southwood College ministry. We introduced Kevin Barra and let him share his testimony. Sharing his testimony using Paul's conversion as a template, we discover that God works in similar ways in the lives of his people. God desires that we know Jesus, grow with Jesus and go with Jesus into the world. Join us as we look at the Transition and Testimonies of Paul, and welcome Kevin to our college ministry.
