# Bored with Heaven?

“Eternity is an unending church service ... we have settled on an image of the never-ending sing-along in the sky, one great hymn after another, forever and ever, amen. And our heart sinks. Forever and ever? That’s it? That’s the good news? And then we sigh and feel guilty that we are not more ‘spiritual.’”

# Bored with Heaven?

“I can’t stand the thought of that endless tedium. To float around in the clouds with nothing to do but strum a harp ... it’s all so terribly boring. Heaven doesn’t sound much better than Hell. I’d rather be annihilated than spend eternity in a place like that.”

# Heaven Will Be Concrete!

“The work of Christ, therefore, is not just to save certain individuals, not even to save an innumerable throng of blood-bought people. The total work of Christ is nothing less than to redeem this entire creation from the effects of sin. That purpose will not be accomplished until God has ushered in the new earth, until Paradise Lost has become Paradise Regained.” - A. Hoekema
